**CITIZEN COMMENTS**

No citizens.

**CONSIDER IVORY HOMES BRIDGE PROPOSAL**

Kim explained that Ivory Homes has come to the City with a proposal to surplus and trade about .4 acres of City land, and in return they will put in bridge across the Jordan River. He said the City is in the process of appraising the land and that the numbers would have to be equal to even consider the trade, or Ivory will need to pay the difference. The master plan of 95' stated to put in a softball field on the acreage portion that the City owns, but that they never did anything because the only way to access it would be to put in a vehicle capable bridge.

Jeff made a motion that the City contemplate an exchange of their property for Ivory to construct a bridge. Motion was unanimous.

**ARBOR DAY FRIDAY MAY 4<sup>TH</sup> AT 12:00 P.M., MASTER OF CEREMONIES, SUNSHINE**

Sunshine Szedeli will be presenting at the Arbor Day celebration on May 4<sup>th</sup> at the amphitheater. Kim invited the board to attend.

## **DIRECTOR'S REPORT**

After much discussion, the Mayor has decided to offer the concession stand a lease for this summer only. They will readdress it for next summer. The reason for that is that they would not be able to tear the building down in time for summer and it would be better to have an occupied building than a vacant building.

The master plan was put into the budget and they are hopeful that it will be approved.

All Parks & Recreation divisions are hiring seasonal employees and are hopeful that they will actually get new hires, unlike last year when they really struggled to find people who wanted to work.

The Mayor was ok with the proposal to change the name of the Heritage Center to the Murray Senior Recreation Center. It will be brought before the Council in April for final approval.

## **QUESTIONS**

No questions.

## **ADJOURNMENT**

The board made a motion to end the meeting. Motion was unanimous and meeting adjourned.
